3. To support the school's goals for student leadership by supporting Student Council initiatives.
4. To publish the Annual Report on the school website.

GOAL # 2

To help build a sense of community for students, parents and staff at community and school levels.

Strategies:

1. To plan several community building events throughout the school year (for example, welcome back picnic, Halloween dance, and family skate night).
2. To encourage all parents to become involved in holding these events (for example, volunteering and donating).
3. To show appreciation to the school staff for their work with our students.

GOAL #3

To effectively communicate our combined efforts, as a school and School Council, with parents of Battalion Park School.

Strategies:

2. To provide opportunities for staff to share important educational information by inviting them to share their work/goals with parents at School Council meetings.
3. To share information from the School Council meetings by posting information, including the minutes, on the school's website.
4. To encourage parents to communicate with members of School Council (for example, by contacting them via e-mails posted on website).
5. To encourage all parents to become involved in the School Council by gathering their input in meetings and by informing parents about the vacant positions on the School Council.
6. To enhance communication by encouraging parents to volunteer at school and school council events.
7. To promote School Council through activities such as kindergarten orientation, school picnics, Halloween dance, skating party and other events.
